Contract Experience:

Fellow of the Chartered Institute of Arbitrators in the UK with a Master of Laws Degree in Construction Law and Arbitration and a B.Sc. degree in Quantity Surveying.

Over thirty years' experience of petrochemical, power, engineering, piping, communications technology, road, rail and construction projects across South Africa, Europe and the Middle East.

Career Overview:

I have advised many of the world's largest multinational companies providing dispute resolution services as Adjudicator and as an Expert Witness for matters of contract and quantum.

I have held senior commercial positions and acted as dispute adjudicator on some of the largest engineering projects in the world, including the Medupi and Kusile Power Stations, the Crossrail underground train project, UK Highways Network and Public Radio Communications Projects and major engineering projects in Dubai (Water and Electricity), Israel (Electricity Generation) and India (turnkey Petrochemical and Plastics manufacture).

NEC Experience:

I am a member of the Adjudication Society, Society of Construction Law and NEC User Group. I am a regular contributor to NEC3 focus groups, mentor for the “reachback” NEC3 forum and provide lectures and advice papers on the use of the NEC and FIDIC suite of contracts.

Built Environment Experience:

I have held board level appointments including the roles of Operations Director, Contracts Director and other senior commercial management positions with leading international firms and specialise in commercial and contract dispute resolution.

Using the NEC3 and FIDIC contracts, I act as Adjudicator, Arbitrator and Expert Witness
I also provide services to Parties including negotiation strategy, pre dispute advice and write and submit documentation on behalf of Employer, Contractor and Sub-Contractor as claimant or defendant in claims, adjudication, arbitration and litigation.

Other Professional Activities and Publications

I have a Masters Degree (LLM) in Construction Law and Arbitration, Diploma in Adjudication, Post Graduate Diploma in Construction Law, Post Graduate Certificate in Arbitration and a B.Sc degree in Quantity Surveying.
