Experience in working with NEC contracts or dispute resolution experience (200 words max)

9. Career Overview

Since specializing in Commercial Consulting in 1986, I have provided commercial support often including the promotion or defense of a great many claims, and have acted as expert witness in a large number of disputes and arbitrations on many contracts throughout Africa.

I have 15 years experience in dispute resolution, and been appointed as an Adjudicator on a number of disputes. I have been appointed to:

- the ICE-SA panel of NEC adjudicators,
- the CIDB panel of adjudicators,
- the Association of Arbitrators adjudicators panel,
- the SAICE adjudicators panel
- the CAASA adjudicators panel, and
- the FIDIC President List of Adjudicators

I have presented numerous workshops and training courses specifically tailored for each client's individual requirements, for over 20 different companies, and I have presented numerous Public Training Courses on such topics as Proving and Pricing Damages and Claims, Construction Law, FIDIC, NEC, Claims and Claim Management and Estimating.

I have been a guest lecturer at the University of Pretoria for their Programme in Construction Adjudication for several modules every year, since its inception in 2014.
